Ah-ha
is that so?
...Yes.
What's
going on...?
Some-
how...

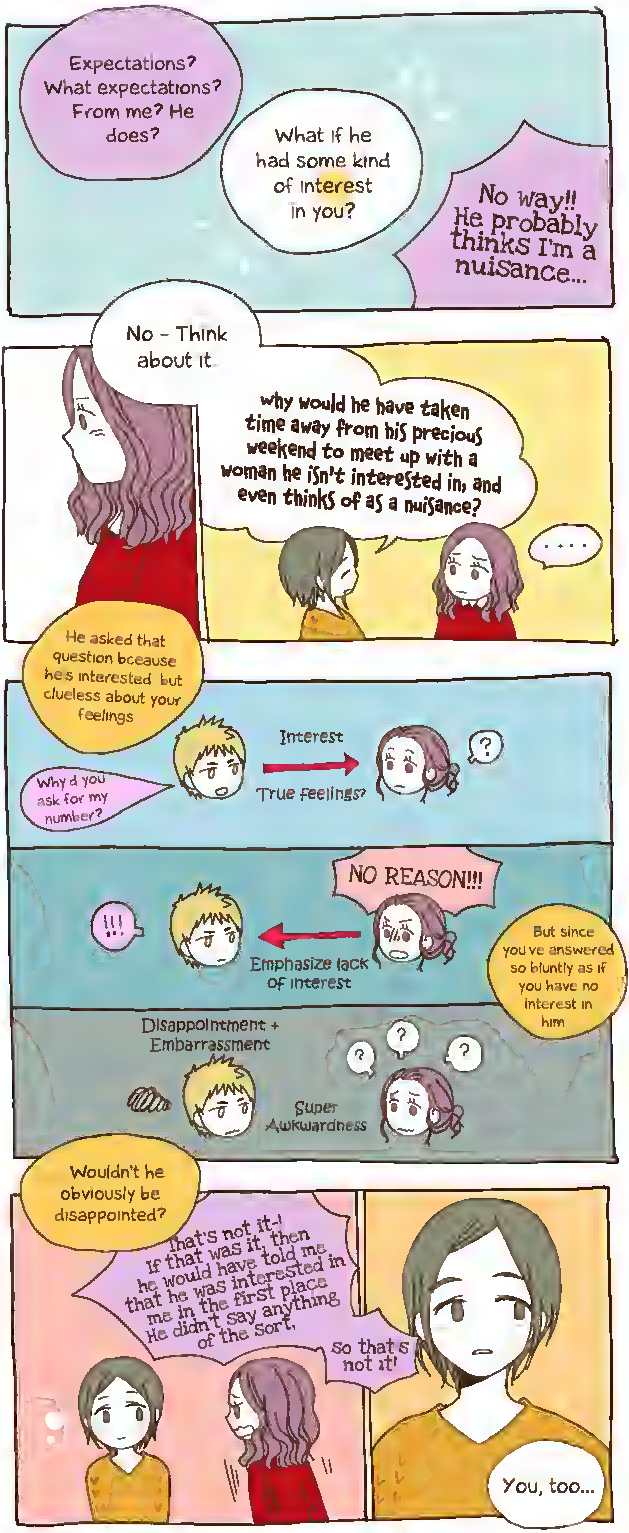
We became so awkward after that last exchange.
I'm going this way...
Ah... Okay
Then... Goodbye.
that we parted ways without setting a second date.
Ah, thanks for the food
bow
bow
Oh yes
turn

Just...
cupcake
What is it that went wrong..?
Hmm...
..Haah ..

Ep. 19. Fantasy? Romance!

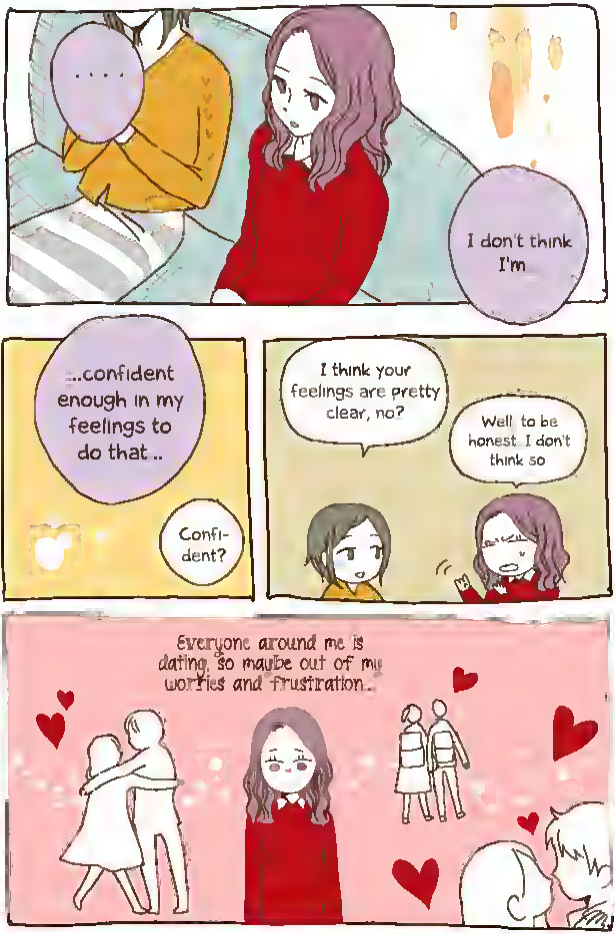
pour
Hey.
This is just a thought, but...
maybe he was disappointed...?
Disa-ppointed?
sip
WHY?!! OF WHAT?!! WHICH ONE OF MY ASPECTS??!! DISAPPOINTED OF WHAT?

Tasty
Ah.. never mind. You don't have to tell me. I can think of a billion reasons ..Ugh...
But it was fine yesterday. I answered well, without giving away my feelings and without giving him pressure....
I think that was the problem.
Eh?
Mira, maybe...
you've crushed his expectations.



Expectations? What expectations? From me? He does?
What if he had some kind of interest in you?
No way!! He probably thinks I'm a nuisance...
No - Think about it
why would he have taken time away from his precious weekend to meet up with a woman he isn't interested in, and even thinks of as a nuisance?
....
He asked that question because he's interested but clueless about your feelings
Interest
True feelings?
Why'd you ask for my number?
NO REASON!!!
!!!
Emphasize lack of interest
But since you've answered so bluntly as if you have no interest in him
Disappointment + Embarrassment
Super Awkwardness
Wouldn't he obviously be disappointed?
That's not it.! If that was it, then he would have told me that he was interested in me in the first place. He didn't say anything of the sort.
So that's not it!
You, too...

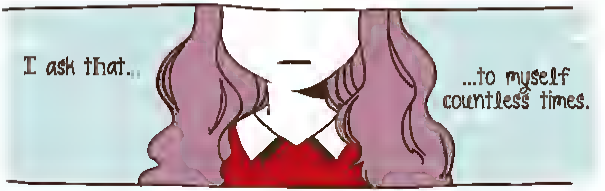
Couldn't honestly tell him, either...
People are all the same
Uuhh...
What if you were the first to confess?
Confess...?

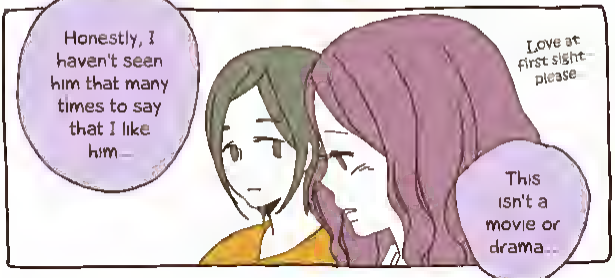


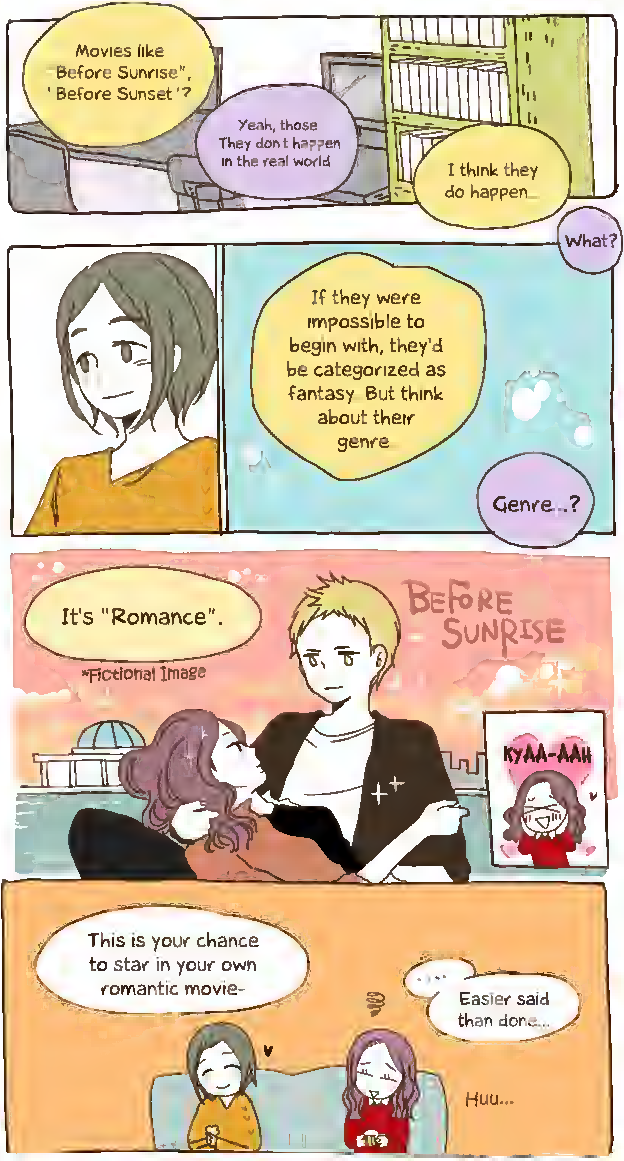
. . . .
I don't think I'm
...confident enough in my feelings to do that..
Confi-dent?
I think your feelings are pretty clear, no?
Well to be honest I don't think so
Everyone around me is dating, so maybe out of my worries and frustration..

I just picked out someone to "fall in love with" so I could date.

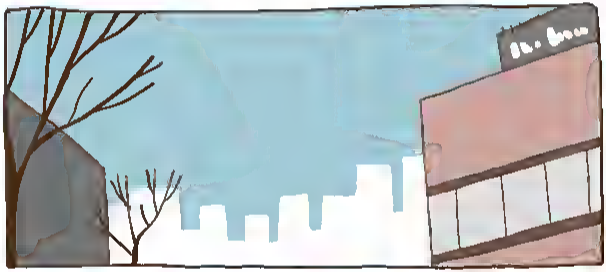
Maybe I'm just wanting to be in a relationship, so I'm making up these feelings and exaggerating them..?





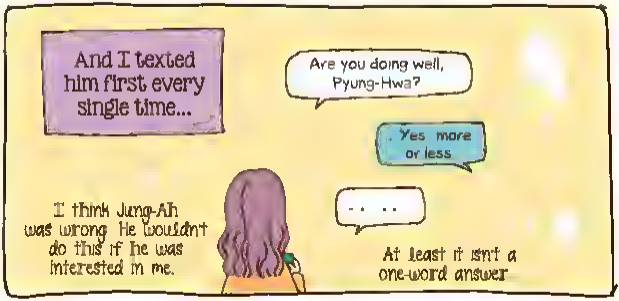


Movies like "Before Sunrise", 'Before Sunset'?
Yeah, those They don't happen in the real world
I think they do happen...
What?
If they were impossible to begin with, they'd be categorized as fantasy. But think about their genre...
Genre...?
It's "Romance".
*Fictional Image
BEFORE SUNRISE
KYAA-AAH
This is your chance to star in your own romantic movie-
Easier said than done...
Huu...

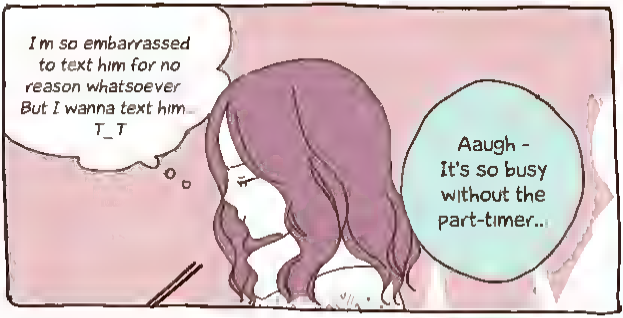


Mira-SSi!
Yes?
Take care of this, please~
THICK
VERY
Huh? But this isn't my department..
You're faster than me at this, so I'll leave it to you~
Eugh
??

During the end of the year...
Mira-ss! - Can you take care of mine, too, pretty please?
Absolutely not!! I'm busy!!
Elite Employee →
Our company gets really busy...
It's been two weeks since I've met the subway guy...
We've exchanged a couple of texts...



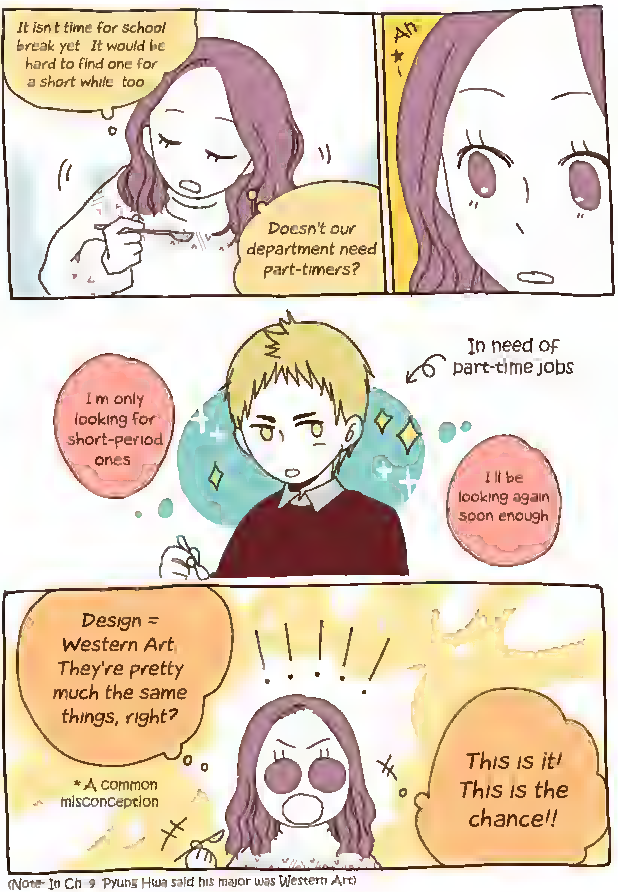
And I texted him first every single time...
Are you doing well, Pyung-Hwa?
. Yes more or less
. . . .
I think Jung-Ah was wrong. He wouldn't do this if he was interested in me.
At least it isn't a one-word answer



I'm so embarrassed to text him for no reason whatsoever But I wanna text him... T_T
Aaugh - It's so busy without the part-timer..

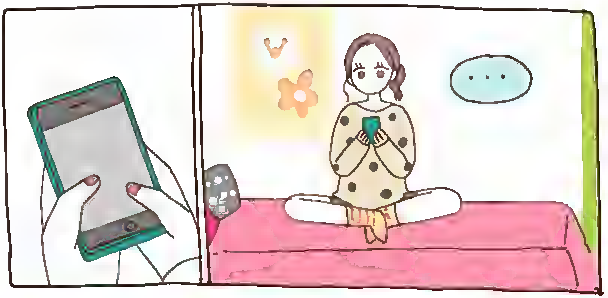
They have zero responsibility - Where would we find another one?
I know right?

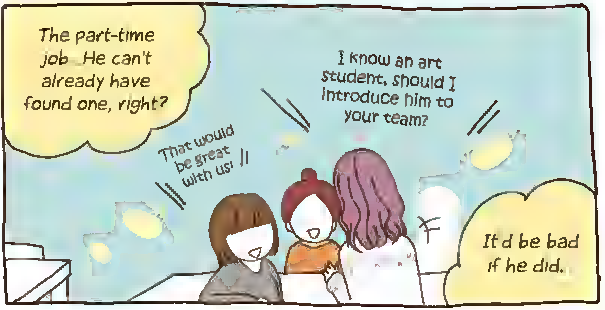
The designing team is really busy, too...



It isn't time for school break yet. It would be hard to find one for a short while, too.
Doesn't our department need part-timers?
Ah ★
In need of part-time jobs
I'm only looking for short-period ones
I'll be looking again soon enough
Design = Western Art. They're pretty much the same things, right?
*A common misconception
This is it! This is the chance!!

(Note- In Ch. 9 Pyung Hwa said his major was Western Art)





The part-time job... He can't already have found one, right?
I know an art student, should I introduce him to your team?
That would be great with us!
It'd be bad if he did.

We'll be in the same building, maybe we'll meet from time to time?
Hiya.
Heya.
If we get done around the same time, we can get a couple of drinks, too... Kuku
Cheers
KYA
AAH

It would be faster to call, right...?
beep
RIIIIIINNNGGG~~
RIIIIIINNNNGGGGG~
HELLO.
bathump
bathump
Ah...um, hello. Do you have a minute to talk?
AH...YES...
I'm glad--
I wanted to ask, have you found a part-time job yet?
NO.. NOT YET..
NICE!!
Ah. Then ..
Would you like to work part-time at our company?
